Parking Regulations

Students must purchase a valid parking permit from Student Services before parking on campus. No parking permit will be issued until all information is filled out on the application. The cost of the parking permit is \$20.00. If you regularly drive a second car to school, cost for this permit is \$10.00. If you sell, wreck, etc. the car for which you purchased a permit, scrape the permit off of that car, bring it to Student Services and your replacement permit will be \$5.00. Otherwise a replacement permit is \$10.00. Anyone failing to follow parking rules will be disciplined. Parking and driving rights may be suspended if the case warrants.

Parking Permits will be issued to Juniors and Seniors. Sophomores and Freshmen are not allowed to drive to school. The School Resource Office will start writing tickets the second week of school.

Students are only allowed to park in their assigned numbered parking spot. Students are not permitted to park on the grass or in designated staff or community school parking spaces.

Parking on the campus of Milton High School is a privilege, not a right. Violations of parking lot rules may result in a ticket. Unpaid or repetitive violations may result in the revocation of parking privileges and/or the vehicle being towed at the owner's expense.
